1. Explore Options
Learn about career options using graduate data, helpful links, and job postings.

2. Professional Documents
Improve your resume, cover letter, and LinkedIn profile.

3. Create A List Of Employers
Make a strategic list of employers you’d be interested in working for.

4. Identify Contacts
Find alumni and other contacts working for your top employers.

5. Network
Build relationships with and get advice from contacts at employers of interest.

6. Interview
Prepare for an interview by researching the employer and practicing answers to common questions.

7. Negotiate
Research the market rate for similar positions and understand benefits packages.
