

Resources for Background Checks, Fingerprinting, Drug Screens, and Immunizations

GENERAL INFORMATION—In the event an internship provider requires a background check, fingerprinting, drug screening and/or immunizations; it is the student’s obligation to arrange and pay for any such requirements. It is the student’s obligation to comply with such requirements when requested by the internship/experience provider; otherwise, the internship/experience provider has the right to not accept a student as an intern.

PROCEDURE—The background check, drug screen, or fingerprinting will be initiated by the student if required as part of the process for obtaining a desired internship. Please allow six to eight weeks to complete the process. Failure to submit materials may result in not being able to participate in the chosen internship. **All expenses associated with background checks, fingerprinting, drug screening and immunizations are the sole responsibility of the requesting student.** The following information is provided solely to assist you in these efforts.

LOCATIONS—These lists are provided to help students choose and fulfill the internship/experience provider’s requirements if no other options are available. It is not intended to replace personal physicians, university clinics, or any other credible services. Always be sure to double-check the times and locations by calling the organizations below.
